

PARENT/GUARDIAN CONTRACT & PAYMENT INFORMATION:

Children must be 3 years of age by October 1, 2021, and must be fully toilet trained to attend the program. **Applications will be prioritized by:** 1. Returning students/families; 2. Year prior to Kindergarten children; 3. Number of days requested (higher priority to 4 and 5 day applicants); and 4. Flexibility with enrollment days. We will notify you by mail of your child’s acceptance status.

We are in session for 35 weeks from September 2021 into June 2022, with school from 8:00 am until 1:00 pm.

Please see payment schedules below.

Vouchers reimburse the BNS for children who qualify under the Vermont universal pre-K voucher program. Qualified children are Vermont residents, ages 3 or 4, or age 5 and not enrolled in kindergarten. Out-of-state (non-Vermont) students, children under the age of 3, or children age 5 and also enrolled in kindergarten do not qualify for voucher reimbursement.

Deposit

A deposit is due with application (see next page for amount); students will not be considered without receipt of deposit. If the student’s application is not accepted, the deposit will be returned upon notification.

Payment

Payment may be made by cash or check and by due dates to receive discounts. *Please note that we cannot accept credit card payments.* **Checks MUST be made payable to Fairbanks Museum & Planetarium.**

Upon signing this agreement, I agree to the following:

- 1. I, as the parent/guardian of the child named above, acknowledge and accept responsibility for full payment of tuition, if my child is accepted.
- 2. The information I provided in this application is accurate.
