

WHERE ADVENTURE BEGINS!

Closer Look Scavenger Hunt:

Birds!

Main floor

1. Which three Arctic birds have feathery feet?
2. What two birds are painted on the wall of the "Vermont Wetlands" exhibit?
3. In the "South American Birds" exhibit, you will find the Hoactzin Bird (also named Hoatzin Bird). What cool fact is on its label about the bird?
4. Where are the two Penguins on display in the Museum located? *EXAMPLE: "By the front desk," or "In the 'Birds of North America' exhibit."*
5. On the main floor, how many peacocks are on display?
6. What bird did the skeleton in the South America exhibit belong to?
7. In the "Birds of Australia and New Zealand" exhibit, you will find the North Island Brown Kiwi. What predators threaten its survival?
8. Can you find the American Kestrel eggs? Where did they come from and what city?
9. Not all Hummingbird tails are alike. Draw two different Hummingbird tails! *HINT: Try to draw them life-sized.*

Thank you for participating in our Closer Look Scavenger Hunt!
