

WHERE ADVENTURE BEGINS!

Closer Look Scavenger Hunt:

Fairbanks Museum

Main floor and balcony

MAIN FLOOR

1. In the foyer, just inside the building, look up the curved stairs, what colors are the windows?
2. What does the solid oak barrel vault ceiling remind you of?
3. What type of skull is part of Franklin Fairbanks' original collection?
4. William Balch was the Museum's first taxidermist, where was his taxidermy studio located?
5. The flower table, filled with current samples of locally blooming flowers, was started in 1903. List something currently on display:
6. Find "Junior the parrot" (along the east wall). Where did he live? When did he die?
7. How many snakes in the snake diorama have their tongues extended?

BALCONY

1. Who made the cast of the *Styracosaurus albertensis* dinosaur skull?
2. How many pounds was the Atlantic salmon Gordon Mills caught?
3. Who lived in a house called Underclyffe?
4. Draw a sketch of a snowflake from the Great Storm of March 7/8, 1899.
5. In the Victorian bird tree there is an animal that doesn't have feathers. What is that animal?
6. Who was the man who collected the netsukes that are on display at the Fairbanks Museum?

*Thank you for participating in our Closer Look Scavenger Hunt!
Please be sure to return your clipboard to the black bench.*
