

## Discovery Camp 2019: Building & Construction

Camps for 4-5 year olds: July 8<sup>th</sup>-12<sup>th</sup> & July 15<sup>th</sup>–19<sup>th</sup> from 9am- 12pm

- Must bring a snack and water bottle each day, \$130 for the week.

### July 8-12: Animal Architecture

Have you ever wondered why some animals build nests while others dig underground burrows? Animals are amazing builders and modifiers of their environments. Through story-time, crafts and games, campers will take a close look at the many architectural masterpieces built by creatures all over the world!

### July 15-19: Epic Engineering

How do long bridges support the weight of heavy trucks and cars? Why do tall towers not tip over on windy days? This exciting week of camp will explore various types of human-made structures through fun crafts and activities. Come build with us!

Camps for 6-8 year olds: July 29<sup>th</sup>-August 2<sup>nd</sup> & August 5<sup>th</sup>-9<sup>th</sup> from 9-12pm

- Must bring a snack and water bottle each day, \$130 for the week

### July 29-August 2: Animal Architecture

Have you ever wondered why some animals build nests while others dig underground burrows? Animals are amazing builders and modifiers of their environments. Through story-time, crafts and games, campers will take a close look at the many architectural masterpieces built by creatures all over the world!

### August 5-9: Epic Engineering

How do long bridges support the weight of heavy trucks and cars? Why do tall towers not tip over on windy days? This exciting week of camp will explore various types of human-made structures through fun crafts and activities. Come build with us!
