

Life in the Forest with the Vermont Land Trust

Teacher: Katherine Hancock

May 22, 2020

The following instructions represent additional resources for continued study of the topics covered in our "Life in the Forest with the Vermont Land Trust" online class. All materials are the property of Katherine Hancock who created them.

Reflection Page

Episode 6: Forest and Springtime Celebration

1. What are three ways that humans and forests interact?
2. What are four products that you use every day that are made from trees?
3. What is something special about trees that you have learned in this video or in previous videos from this series?
4. What is something new that you learned after watching videos in this series?
5. What is something you still wonder about, even after watching these videos?
6. Write a sentence about why trees are important for the world and for people.
